Why I love this church...

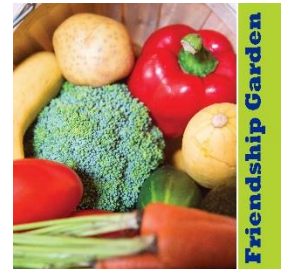

"I love this church for its Christlike people and for its service to the community through Friendship Feast, supporting the Child Development program, and Bicycle Ministry."
- Marshall Basham

As Disciples, we are called to witness to this gospel truth: in spite of all evidence to the contrary, even in the heaviest of circumstances, love remains. When you give to Week of Compassion, especially during our church-wide Special Offering, you put that love into action. Your giving shares faith, hope and love, around the world, around the year.

Garden Time

We have the intention of adding raised beds to the Friendship Garden this year. These will be approximately three feet high, providing added accessibility for those who find gardening on the ground level difficult. Each plot will be about four feet square. Please contact Brenna to be put on the list for a raised bed if you are interested in some elevated gardening.

As mask fatigue grows, we are all asking when will it be OK to come to church without a mask? As of today, the map that shows

the rates of transmission in the US is starting to show a little orange, and even one yellow state instead of all red, but unfortunately, we are still in an area of high transmission. The council had a lengthy discussion about masks on February 23rd, and we will continue the discussion on March 23rd. We hope by then the rate of transmission will have gone down significantly. For now, the council still recommends wearing masks at church functions. We appreciate everyone being patient with this situation and we all hope it won't last much longer.
