Why I love this church...

“This is a peaceful place that does a lot for the community, serves the community and feeds each other.” -Gary Davis

**Thanks to the many helping hands the Christmas parade was a huge success!**

## Principles Before Personality Narcotics Anonymous

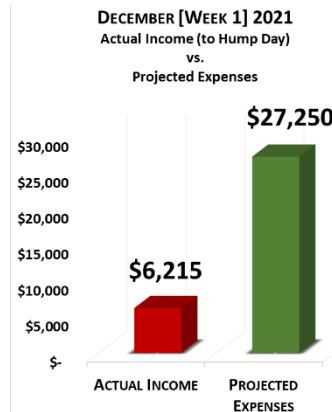

We are pleased to report that we have a new ministry partner. On December 13th, a meeting group of Narcotics Anonymous called Principles Before Personality will begin meeting in our chapel three nights a week Monday, Wednesday, and Friday from 7-8 pm. This group has been active in Ponca City for 20 years, and we are looking forward to hosting them in the next phase of their journey. For now, the extent of our partnership will just be in the group using our space. There may be opportunities in the future for the congregation to work more closely with the leadership of this group to further meet the needs and help to transform the lives of people in Ponca City.

## Wee Care Christmas Program

Wee care kids have been working hard this week practicing their Christmas songs. If you're available, these little faces would love for you to join them in the chapel on December 14<sup>th</sup> at 10:30 am for a short Christmas program.

## HUMPDAY Report

The graph to the left is a regular report from the Stewardship and Financial Resource Team showing how our actual monthly income to date compares to the projected monthly budgeted expenses. Income data is gathered each Hump Day (Wednesday) prior to the publication of the newsletter.
