## Devotional Christian

### Hymn Sing Sunday!

You don't have to sound like the next American Idol to sing praises to the Lord. He only cares about what's in our heart. When we sing, we're giving praise and honor to Him, so don't worry about how you sound or who's listening. Let's lift up our voice and worship the God from whom all blessings flow!

### Prayer

*Dear Lord, I pray that the music I make or the songs that I sing are always from my heart to You. I pray that as we sing psalms, hymns, and spiritual songs, we genuinely dedicate each melody to You. I pray that I always give You thanks for my many blessings. Amen.*

## The *Feel* of Worship

I have heard some interesting feedback about worshiping in the fellowship hall the two Sunday's while we were waiting for the elevator to be repaired. I would like to hear more about what positive experiences you had during this temporary location for worship. If practical, I would like to explore how we can bring some of those positive dynamics into the sanctuary space. It might not be possible for us to bring everything that was like in the fellowship hall upstairs, but we may be able to develop some new practices that help bring us to a deeper experience of worship. Please follow the link below to share your thoughts on what you liked about the feel of worship in the fellowship hall. We will have some conversation around the feedback and see if we would like to make any changes.
