## ↔️ **QUIET MY SOUL** ↔️

This is a day for gratitude,  
for just a small shift in attitude  
can change darkness into light.  
Instead of focusing on the "wrong,"  
I choose to see what's right!  
Music, for instance,  
has been such a comfort to me,  
or a crossword puzzle  
on which to focus my mind  
while I grasp at sanity.  
A quick cup of tea with a longtime friend  
can very quickly, easily mend  
my frayed nerves and quiet my soul,  
until I feel a little more whole.  
Thank you, God, for these things,  
and many more—  
though I know it will never  
be as it was before.  
Maybe in some ways it will be better,  
for there are things that I cannot do,  
and, instead of  
relying on myself,  
I must trust in you!
