↔️ **BLISSING OUT** ↔️

Today, for a while, I just sat
and petted my cat.
That’s all I did—just that.
Oh, there were things I could have,
should have done, but none
that would have been as much fun.
No, I can’t think of a one
that I would enjoy so.
I can’t think of one I know
that helps alleviate my woe,
like sitting and petting my cat—
just giving him pat after pat.
For blissing out—
the cat’s where it’s at!
