## Why I love this church...

I am a new member of First Christian Church, less than a year. My first visit I was warmly welcomed; everyone I met was so nice and very happy. After the service, a member took me on a tour of the beautiful Church. That first Sunday I knew my search was over. I had found the Church that I wanted to join.

One Sunday a few weeks later I was going into the Sanctuary. There was a sweet little lady that wanted to meet me and shake my hand. This was during the Covid "mask" days. I shook her hand, and she looked at me and said "You have happy eyes". I realized at that moment, my happiness I had found at First Christian Church could be seen by others, even with a mask on.

Why do I love this Church? My Church family, it is my Church family I love.
